

▽ INSPIRED BY THE PAST

Modeled on the Pantheon in Rome (see p.104), the circular colonnaded memorial was built in the Neo-Classical style that Thomas Jefferson himself helped introduce in the US.

▷ AGAINST TYRANNY

Inscribed in a frieze below the dome are Jefferson's words defending the US Constitution's refusal to recognize a state religion: "I have sworn ... hostility against every form of tyranny"

The **cherry trees** around the monument were **a gift** from the people of **Japan**
