

△ THE SUN PYRAMID

An aerial view of Teotihuacán shows the city's massive, five-tiered Pyramid of the Sun, which is 210 ft (64 m) high, with a foundation of 728 ft by 738 ft (222 m by 225 m). There are 248 steps to the top of the pyramid.

◁ HEAVEN AND HELL

This detail from a mural at the Tepantitla compound, Teotihuacán, c.200 CE, contrasts visions of paradise and vitality, represented by butterflies, with nightmarish scenes, including a game using a human as a ball (bottom right) and a row of sacrificial victims (top right).
