## Dinosaur dinner

**1935** The board game Monopoly was patented. It has since sold more than 250 million sets.

**2020** The UK formally left the European Union four years after the British public voted on whether to leave or remain.

A stylized illustration of a Victorian street scene. A tall, black lamppost with a glowing yellow light stands in the center. To the left, a man in a green suit and a woman in a red dress and pink hat walk away. To the right, a man in a blue suit and top hat stands next to a woman in a red dress. A small child in a blue dress and red hat stands in front of them. The background is a solid purple color.

US inventor Thomas Edison lit up his laboratory, as well as the surrounding area, in Menlo Park, USA. This was the first public demonstration of his incandescent light bulb.

**1948 Donna Summer**, Black American singer and songwriter. Her 1977 single *I Feel Love* was a major hit in the disco genre, and laid the foundations for electronic dance music.

**1995 Gabby Douglas**, Black American gymnast. She was the first Black American to become all-round individual Olympic gymnastics champion, in 2012.

## Times Square tradition
