

# INSIGNUM

## Traceability Solutions for Constantly Evolving Demands

See you at Productronica India 2026  
Hall 15 Booth H15.K01

### + Product Pool

Over 80,000 systems installed worldwide. Oldest ASYS handling system in use since 1994.

### + MES Connection

Standardized and easy to implement.

### + Optimap

Significant cycle time reduction by combining code positions. Labeling and verification take place in just one process step.
