

MR Technology: Founded in the year 2012, MR Technology is the foremost importer, exporter and distributor of Fully Inline High Speed SMT Pick & Place Setup Machines.

Our presented products are highly admired for their longer working life, sturdiness, top performance and affordable rates. Furthermore, our ethical business strategy, truthful dealing, nominal price, well-planned ship facility has helped us in upholding prominent position in the market. Due to high demand, we provide these products to our patrons at nominal costs.
