

Excerpt from JAPAN UNIX Manga Collection Vol. 1

Discover Japan Unix's Soldering Technology Through Manga — With Steve.

Guided by Steve, our virtual soldering engineer, explore the journey of Japan Unix — from its founding history to today's automation solutions. The series introduces key products, manufacturing technologies, and soldering know-how that support stable mass-production quality, all presented in an engaging and easy-to-understand story format.

Gantry Soldering Robot

UNIX-GF Series

Flexible gantry platform
with proven desktop usability.

Key Features
