

THE DASHBOARD

India Shines Bright With Almost 3.68 Billion LEDs

As of May 18, 2026, the Indian government has distributed 368,705,643 LEDs under its flagship UJALA scheme, saving 47,883 million kWh annually and cutting costs by ₹191.53 billion. The initiative has avoided 9586MW peak demand and reduced 38,784,984 tonnes of carbon dioxide. Uttar Pradesh (190,808,609), Bihar (104,099,938), and West Bengal (92,229,228) are currently leading in distribution.
