Minister Samrat Choudhary, amended its EV policy on May 13, 2026. To ensure 30% of all new vehicle sales are electric by 2030, the state allocated ₹1.1 billion for FY 2026-27. The plan introduces Direct Benefit Transfers, a 50% motor vehicle tax rebate, and ₹100,000 subsidies for women car buyers.

Tata workforce hits 75,000, edges past Foxconn India

Tata Electronics has grown to about 75,000 employees, surpassing Foxconn as Apple's largest contract manufacturing partner in India by workforce size. Expansion at its Hosur facility and the acquisition of Pegatron and Wistron plants support rising iPhone demand.

SECI launches ₹27.2 billion solar financing plan

SECI has sought up to ₹27.2 billion in loans for a 700MW AC solar PV project in Radhanesda, Gujarat, costing ₹38.47 billion. Backed by MNRE subsidies and VGF, the project targets commissioning by February 2028, with power supplied to GUVNL under a 25-year PPA.

Updates From EFY Group

Event, Date and Venue	Topics	Contact for details
FAC TEC CHINA 2026 June 2-4, 2026 Shanghai World Expo Exhibition & Convention Center, China	The event focuses on intelligent, flexible, and green factory solutions, bringing together manufacturers and solution providers from fields such as semiconductors, PCBs, automotive electronics, new energy, and wireless communication. The show will present the latest solutions in green factory construction, environmental control, safety and maintenance, new materials, and smart and flexible manufacturing.	Website: https://www.factec.com.cn/en-gb.html
Open Source India October 7-8, 2026 NIMHANS Convention Center, Bengaluru	One of India's leading open-source conferences, OSI brings together developers, architects, and tech leaders. Expect deep-dive sessions, real case studies, and conversations around the future of open tech.	Website: https://opensourceindia.in
EFY Expo Gujarat November 19-21, 2026 Helipad Exhibition Centre, Gandhinagar, Gujarat	A fast-growing regional expo focused on electronics manufacturing and innovation in Western India. It's a great platform for discovering new suppliers, partners, and emerging technologies.	Website: https://gujarat.efyexpo.com
EFY Expo Pune January 21-23, 2027 Auto Cluster Exhibition Center, Pimpri, Pune, India	Electronics expo with conferences on automotive electronics, EVs, and Industry 4.0 (IIoT). Covers a wide range of electronics-related technologies, products, and topics, including electric drives, battery management systems, and IIoT solutions.	Website: https://pune.efyexpo.com
AI DevCon 2027 March 2027 NIMHANS Convention Center, Bengaluru	A two-day conference for developers, IT leaders, researchers, and enthusiasts to explore and work with AI, covering tools, frameworks, GenAI, edge and cloud AI, open-source innovations, and industry case studies.	Website: https://www.aidevcon.in

Google launches \$15 billion AI hub in Visakhapatnam

Andhra Pradesh launched the Google Cloud India AI Hub in Visakhapatnam, featuring a 1GW AI data centre spanning 600 acres as part of Google's US\$15 billion investment in India. Developed with AdaniConneX and Airtel Nxtra, the project targets a 6.5GW digital ecosystem, boosting AI, cloud, server manufacturing, cybersecurity, and supporting electronics infrastructure.

Reliance reportedly plans ₹1.6 trillion Visakhapatnam data cluster

Reliance Industries plans a ₹1.6 trillion investment in a 1.5 GW data centre cluster in Visakhapatnam, with captive solar and battery storage. Spread across three phases, the project includes a 500MW first phase by 2028 and a 1GW expansion by 2030. Backed by 9000MWp solar capacity, it could become India's largest data centre hub.

Apple commits ₹1 billion for India's clean energy

Apple will invest ₹1 billion in India's renewable energy sector, in partnership with CleanMax, to build over 150MW capacity, enough to power nearly 150,000 homes annually. The initiative supports Apple's India supply chain decarbonisation goals and 2030 carbon-neutral target.

Battery Smart raises \$15 million to expand EV network

Battery Smart has raised US\$15 million in debt from Mirova to expand its battery-swapping network and battery-as-a-service model across India. The company operates over 1600 stations in 50 cities, supporting EV fleets, delivery riders, and passenger transport. The funding aims to improve access to infrastructure, as operating revenue grew 52% in FY25.

Ericsson's India business jumps 29% on 5G demand

Ericsson's India revenue grew nearly 29% year-on-year to ₹42.28 billion in Q1 2026, driven by 5G rollouts, network equipment deliveries, and telecom infrastructure upgrades. India contributed 8% of global revenue, up from 7%.

Student invention changing the water story in Kusumpur, Delhi

Devika Raj Batra, a Class 12 student in New Delhi, founded Project Amrit, bringing safer drinking water to Kusumpur Pahari. Her patent-pending UV-C LED sterilisation unit disinfects stored household water in fifteen minutes. With 70 trained Amrit Ambassadors, the initiative has reached 700+ households and 5000+ residents, and aims to expand outreach to 10000+ people within the next six months.
