

Government approves 29 more proposals under the ECMS

MeitY has cleared 29 new proposals under the Electronics Components Manufacturing Scheme (ECMS), unlocking ₹71.04 billion in investment, ₹845.15 billion in output, and 14,246 jobs. With 75 approvals now, projects span mobile, telecom, automotive, defence, and IT hardware. Electronics and IT minister Ashwini Vaishnaw acknowledged landmark plants for capacitors, flexible PCBs, and rare-earth magnets, pushing upstream integration and reduced imports.

Cabinet clears ₹336.6 billion scheme for 100 industrial parks

The Union Cabinet has cleared BHAVYA, a ₹336.6 billion plan to build 100 industrial parks over six years, offering plug-and-play plots from 25 to 1000 acres. Phase one covers 50 parks with ₹10

million per acre in support. Managed via SPVs under NICDIT, the scheme provides 33,660 acres, boosting manufacturing in electronics, semiconductors, and components.

PEOPLE (on the move)

Vir Vikram Yadav appointed DGCA Chief amid challenges

Senior bureaucrat Vir Vikram Yadav, a 1996-batch IAS officer of the Odisha cadre, has been appointed Director General of the DGCA effective March 31, 2026, replacing Faiz Ahmed Kidwai. Yadav's mandate is to strengthen oversight, resilience, and balance industry growth with passenger protection.

Voltas appoints Prince Subroto Mani to lead RAC Electronics R&D

Voltas Ltd has appointed Prince Subroto Mani as Head of R&D for electronics in its room air-conditioning business. Mani, formerly at Havells, brings extensive experience in IoT, lifecycle design, and premium AC product development.

IFB Industries appoints Sandeep Joseph Abraham as MD and CEO

IFB Industries has appointed Sandeep Joseph Abraham as Additional Director, MD, and CEO, effective April 9, 2026, for a five-year term, subject to shareholder approval. Recommended by the Nomination and

Remuneration Committee, Abraham brings 30+ years' leadership experience across B2B and B2C sectors, managing revenues of ₹200 billion and driving growth, innovation, and market leadership.

OnePlus India CEO Robin Liu exits

OnePlus India CEO Robin Liu resigned on March 24, 2026 amid sustained declines in shipments. Liu, who joined in 2018 and became CEO in 2024, oversaw launches such as the OnePlus 15 and the expansion into smart TVs and audio. Analysts cite Nord series

dilution, fierce competition, and chip shortages. His exit coincides with OPPO Group restructuring, raising questions over OnePlus's India strategy.

Servotech Renewable elevates Vipin Kaushik as Chief Financial Officer

Servotech Renewable Power System Ltd has elevated Vipin Kaushik as CFO effective April 1, 2026, following his tenure as financial controller. With 20+ years' experience at ICICI Bank, Delhivery, V2 Retail, and Franchise India, Kaushik will lead financial operations, risk management, and compliance.
