- UK government reviews EV sales targets amid production slumps
- Raspberry Pi delivers strong results with 25% earnings growth

wafers from June 2028, following a June 2026 deadline for local solar cells. The move aims to reduce reliance on Chinese imports and build a fully integrated supply chain. With 2GW current wafer capacity, firms like Waaree, Tata Power, and Indo-sol plan major investments toward India's 2030 clean-energy goals.

Exide invests ₹4.5 billion in lithium-ion battery plant

Exide Industries has invested ₹4.5 billion in its subsidiary, Exide Energy Solutions, through a rights issue, bringing its total commitment to almost ₹48.02 billion. The funds will support a greenfield lithium-ion cell plant in Bengaluru, producing cells, modules, and packs for EVs and energy storage. EESL, incorporated in 2022, reported FY25 turnover of about ₹1.17 billion and net worth of almost ₹27.38 billion. Exide retains 100% ownership.

Henkel opens electronics co-innovation hub

Henkel has opened a 5000 sq ft (465 sq m) customer application centre in Bengaluru to boost India's electronics manufacturing. With advanced labs and co-development spaces, it enables local testing of adhesives and thermal

Updates From EFY Group

Event, Date and Venue	Topics	Contact for details
India Electronics Week May 13-15, 2026 KTPO Expo Center, Whitefield, Bengaluru	India's No. 1 event for creators of smart electronics solutions to discover latest techniques, best practices and technologies for developing electronics better, cheaper and faster, and meet service providers, suppliers and partners who can enable growth of your business.	Website: www.indiaelectronicsweek.com
embedded India May 13-15, 2026 KTPO Expo Center, Whitefield, Bengaluru	It's India's only tech conference-plus-expo focused on Embedded Systems. It caters to developers of embedded systems solutions by empowering them with the latest tech and best practices to develop innovative solutions using cutting-edge tech and out-of-the-box planning.	Website: https://www.embedded-india.com
IoTShow.in May 13-15, 2026 KTPO Expo Center, Whitefield, Bengaluru	The conferences at IOTSHOW deliver an unsurpassed depth and breadth in practical content. Participate in cutting-edge talks and training by industry stalwarts and thought leaders who are transforming the IoT scene themselves. Build the skills you need to get ahead with your career and the ones you need to stay ahead.	Website: https://www.iotshow.in
electronics ROCKS May 13-15, 2026 KTPO Expo Center, Whitefield, Bengaluru	India's conference on electronics circuit and product design.	Website: https://www.electronicsrocks.com
Innovation In Electronics Awards May 14, 2026 KTPO Expo Center, Whitefield, Bengaluru	A special evening that celebrates the people and products shaping the electronics industry. From breakthrough designs to impactful innovations, this is where recognition meets inspiration.	Website: https://www.indiaelectronicsweek.com/electronics-rd-india-awards
FAC TEC CHINA 2026 June 2-4, 2026 Shanghai World Expo Exhibition & Convention Center, China	The event focuses on intelligent, flexible, and green factory solutions, bringing together manufacturers and solution providers from fields such as semiconductors, PCBs, automotive electronics, new energy, and wireless communication. The show will present the latest solutions in green factory construction, environmental control, safety and maintenance, new materials, and smart and flexible manufacturing.	Website: https://www.factec.com.cn/en-gb.html
Open Source India October 7-8, 2026 NIMHANS Convention Center, Bengaluru	One of India's leading open-source conferences, OSI brings together developers, architects, and tech leaders. Expect deep-dive sessions, real case studies, and conversations around the future of open tech.	Website: https://opensourceindia.in
Gujarat Expo 2026 November 19-21, 2026 Helipad Exhibition Centre, Gandhinagar, Gujarat	A fast-growing regional expo focused on electronics manufacturing and innovation in Western India. It's a great platform for discovering new suppliers, partners, and emerging technologies.	Website: https://gujarat.efyexpo.com

solutions for telecom, AI, EVs, automation, and medical electronics.

KKR to invest \$310 million in PMI Electro's e-bus venture

KKR will invest up to \$310 million in a partnership with PMI Electro Mobility and its e-bus platform All-fleet India, acquiring majority control of Allfleet and a minority stake in PMI. The deal, aligned with India's PM-eBus Sewa scheme, supports the deployment of 5000+ e-buses, advancing clean urban transport and the adoption of electric mobility.

Aimtron Electronics bags ₹576.6 million IIoT and AI surveillance order

Aimtron Electronics has won ₹576.6 million in turnkey orders for industrial IIoT and AI surveillance, boosting FY2026-27 visibility and capacity utilisation at Vadodara. The 12-month projects highlight customer trust in its end-to-end solutions.

Garuda Aerospace plans ₹7.5 billion IPO

Chennai-based drone startup Garuda Aerospace has filed its draft IPO papers with SEBI, targeting a fresh issue of up to ₹7.5 billion, along with an OFS. The board approved a stock split, reducing the face value of shares to ₹2.

Keysight to manufacture advanced electronics

Keysight will launch local manufacturing in Chennai, producing advanced test equipment for the aerospace, defence, semiconductor, quantum, AI, and wireless sectors. The phased rollout supports government initiatives and defence modernisation, while strengthening supply chains, accelerating 5G/6G deployment.

Workers' strike hits Dixon's Noida plant, stock dips

Workers at Dixon Technologies' Padget Electronics unit in Noida staged a strike on April 13, 2026, demanding
