## INSPECT. MEASURE. REPORT.

### Flagship 4K digital inspection for confident quality control.

EVO Cam AURA is digital inspection upgraded.

- **See the detail that matters.** 4K image quality shows the fine detail your inspection demands.
- **Handle challenging parts with ease.** A range of integrated tools brings uneven, reflective or hard-to-see samples into clear view.
- **Same result, every time.** Auto-recognition, presets and Supervisor Mode keep settings consistent and traceable across your operation.
- **Document as you inspect.** Annotate, measure and capture metadata directly on AURA. No separate PC required.

Available in 4K and HD, with touch screen or buttons, and in standard and secure variants. Designed to suit your task and environment.

**NEW** Evo Cam AURA
