

Physical AI 4 AOI

Step into a world.

One platform. Every inspection stage. SPI, pre-and post-reflow AOI, true 3D measurement, all driven by native AI and a proprietary neural network. And with Training Manager, Horus and Aton learn on your line, in real time, from your own production data.

Born in Switzerland.

Present in India. Built for the world.

Swiss Precision Thinking.
Powered by AI.
Perfected by Design.
