

## SENSE-ible science

How does the wind feel in your hair?

Does the wind smell of anything? Why?

Can you think of ways that wind is useful?

ribbons

embroidery  
hoop or  
coat hanger

### See the wind

Make this rainbow **wind catcher** then watch the wind move the ribbons. Thread ribbons onto a hoop and hold it up outside. The wind will **lift the ribbons** like a kite. Can you see which way the wind is blowing?
