Keep on running

Isabella Woods, 21, is a talented marathon runner who hopes to win Olympic gold. Here she tells us about her training and her ambitions.

I love running marathons. I always look forward to challenging myself so that I run faster each time I train. I never put off training, because it helps me to get ready for competitions. Even when the weather is really bad, I still feel like getting my running shoes on and getting out on the road. I couldn't cope with doing a desk job. It'd be torture! When I'm on vacation, I'm usually miserable because I miss training. I can't stand sitting around doing nothing. For me, it's a waste of time. I've got more important things to do."
