GREENWAY SPORTS FACILITIES

A Strategy for the Future

Following last year's extreme weather, we will need to make Greenway more accessible whatever the weather conditions are outside.

SHORT TERM

Adding to the existing outdoor tennis facilities, the new indoor tennis court will be finished this spring. This will offer a great alternative to the outdoor courts for rainy days.

LONG TERM

We need stands next to our outdoor sport fields suitable for all weather. Also, plans for a heated swimming pool are under way. We will introduce a reduced entry fee in the colder, darker months, as promised at the last meeting.

The weather was not unusual last year.
