

45 More phrasal verbs

Some phrasal verbs contain three words rather than two. Like two-word phrasal verbs, they are often used in informal spoken English.

-  **New language** Three-word phrasal verbs
- Aa Vocabulary** Personal relationships
-  **New skill** Understanding informal English

45.1 KEY LANGUAGE THREE-WORD PHRASAL VERBS

Three-word phrasal verbs consist of a verb, a particle, and a preposition. The particle and preposition often change the usual meaning of the verb.

VERB + PARTICLE + PREPOSITION

He **looks up to** his brother.

The verb changes with the subject.

The particle and preposition never change form.
