Hi Emily,
Paul and I are having a great time in Marrakesh. Today we were **walking** in the old part of the city when we saw an old man. Actually, he looked **ancient**! He was **carrying** a large, heavy basket, so I offered to carry it for him. The old man was **smiling** at me but I **felt** nervous, so I gave the basket to Paul. Suddenly we arrived in a **bustling** square with market stalls and people everywhere. I looked for the old man. He was sitting with the basket open. He was **playing** the flute and out of the basket came two enormous snakes. I'd never seen anything like it in my life: it was **bizarre**. They were moving to the music he was playing. It was **fascinating** to watch, but I didn't offer to carry his basket again.
Love Hania
