

8.3 KEY LANGUAGE WORD ORDER

You can also describe frequency with more precise expressions.
Unlike adverbs of frequency, these must sit at the end of a phrase.

The verb usually goes after the adverb of frequency.

I { often
regularly
hardly ever } go running.

Precise expressions usually go at the end of a phrase.

I go running { five times a week.
every Tuesday.
once a year. }

Just a month to go until our debut gig!
We three times a week practice together, so
that we'll be ready. We go very often jogging
before band practice. It helps sometimes us
get ideas for tunes. Rehearsals are going
well and we make rarely mistakes now.
I have twice a month guitar lessons, which
has really helped. After practice we go out
nearly always together.
