BUSINESS LIFE

A day in the life of businesswoman Lou Milton

I own an international business consultancy. After a busy morning, my clients and I sometimes **meet up** for lunch. The clients really enjoy eating great food, so it's good business to go out for a meal and spend some time with them.

After lunch, we'll have group meetings. Once all the clients **turn up**, we have coffee, which always helps me **wake up**. All kinds of important issues can **come up** at these meetings, and I don't want to miss even a tiny detail. After work, I always hurry home to see my family.

Kids **grow up** so quickly, and it's important to spend time with them. I don't usually **stay up** too late. The next day could be a long one!
