23.7 KEY LANGUAGE STALLING TECHNIQUES

If you need extra time to think about a difficult question before answering it, you can start your response with a stalling phrase that indicates you are considering the question.

Would you be happy to work on weekends?

Well, I do have two children.

What are your strengths?

Good question. I have excellent computer skills.

Why should we hire you?

Let's see... I think my experience would be very useful.
