WHAT ARE YOUR RESOLUTIONS?

Exercise more or stop eating chocolate? It's a question many of us ask ourselves as the year ends.

Betty from California makes one resolution every year. "I'm not going to give up smoking," she tells us, "because I did that last time. This year, I'm going to get fit!"

In the US only 8 percent of people keep to their resolutions. Many give up by the end of January.

A lot of people make resolutions, but Australian Joanna Gee makes one resolution for every day of the year. That's 365 resolutions every year.

"I love making resolutions," Joanna says. "This year I'm going to do more unusual things. On June 23 I'm going to climb a mountain, and then on September 30 I'm going to swim with sharks."

Betty has one resolution this year.
