# CLUBS AND SOCIETIES

An Oldton student tells us about some local clubs

I am Mark Watson and I'm at Oldton University. This is the first week of classes and students are trying lots of activities. This is what I think of them...

**Chocolate Club:** Do you like chocolate? Well, the people in this club love it! I don't like chocolate, so this club is not for me. They make chocolate cakes and chocolate drinks.

**Dancing Club:** My girlfriend loves this club. She goes twice a week. It is great exercise, but I hate it because I am very clumsy.

**Computer Gaming Club:** I love

playing computer games at home. I really like playing with other people, too, so I like this club. There are lots of players there every week.

**Chess Club:** I love playing chess. I go to this club because it's a lot of fun. The players are very good, so I don't win very often. It makes me a better player.

**Skateboarding Club:** This is a fantastic club where you can learn from great skateboarders. This club meets three times a week and it's a great place to make new friends. I love it!

Mark loves chocolate.
