

ADVANCED

Motion Sensing Solutions

5.8GHz Radar Sensor Module Series

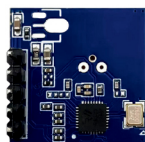

Smart Home Lighting

HLK-LD012

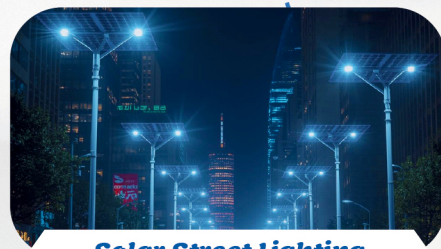

HLK-LD020

HLK-LD016

**Low-Cost
High Impact**

Solar Street Lighting

Moving Target Sensing

Wireless Sensor Access Control

Ability of light-sensitive detection

Long distance detection

Positioned for motion sensing scene application

Adjustable frequency

Single chip direct output sensor control signal

We are
