

BSNL posts back-to-back profits for the first time in 18 Years

BSNL posted a ₹2.8 billion profit in Q4 FY25, marking its second straight profitable quarter, first in 18 years. Annual loss fell 58% to ₹22.47 billion. Revenue rose 7.8% to ₹208.41 billion, and EBITDA more than doubled to ₹53.96 billion. Growth in mobility, fibre, and enterprise services drove the turnaround, aided by record ₹260.22 billion CapEx.

BEL secures ₹5.72 billion in new defence orders, sees 18% profit rise in Q4

Bharat Electronics Ltd (BEL) secured fresh defence orders worth ₹5.72 billion for systems like drone detection, AI-based naval tech, and SDRs. With a ₹716.5 billion order book, BEL strengthens its role in indigenous defence. The PSU has posted an 18% YoY rise in Q4 net profit to ₹21.27 billion, with revenue growing 7% to ₹91.5 billion.

BEL and Tata Electronics join forces for semiconductor breakthrough

Navratna defence PSU Bharat Electronics Ltd (BEL) and Tata Electronics have signed a Memorandum of Understanding (MoU) to co-develop indigenous semiconductor and electronics solutions. The partnership covers chip fabrication, OSAT, and design services to meet BEL's needs for MCUs, SoCs, MMICs, and processors. It supports India's drive for self-reliance in critical technology and manufacturing.

TCS secures ₹29.03 billion add-on order from BSNL for 4G expansion

TCS has secured an add-on advance purchase order worth ₹29.03 billion from BSNL for planning, installing, and maintaining 4G across 18,685 sites, supporting future 5G rollout. Its Tejas Networks unit won a ₹15.25 billion sub-order to supply RAN equipment for the project. This extends TCS's ₹150 billion BSNL contract amid slowing revenue growth.

Updates From EFY Group

Event, Date and Venue	Topics	Contact for details
NEPCON ASIA 2025 October 28-30, 2025 Shenzhen Convention & Exhibition Centre	Asia's leading exhibition for electronics R&D, manufacturing and packaging technology. It consists of six shows specialised in essential areas for electronics manufacturing and R&D. The show has increased its value as an exhibition representing Asia's leading one-stop venue for all those involved in the electronics industry.	Website: https://www.nepconasia.com/en-gb.html
Open Source India November 5-6, 2025 NIMHANS Convention Centre, Bengaluru	The twenty-second edition of Open Source India (OSI) maintains its ethos of bringing various stakeholders under one roof. The team at Open Source For You magazine, in partnership with India's Open Source community and industry, comes together to accelerate development and deployment of Open Source in India and beyond.	Website: https://www.opensourceindia.in
productronica November 18-21, 2025 Trade Fair Center Messe München, Germany	This event presents the entire range of technologies and solutions for electronics production and provides in-depth insights into the latest trends in practice-oriented forums and live demonstrations. Every two years, the world of electronics production meets in Munich.	Website: https://productronica.com/en
DigiTech ASEAN Thailand 2025 November 19-21, 2025 Hall 7-8, Impact Exhibition Center, Bangkok, Thailand	Southeast Asian face-to-face 'Digital Solutions for Business' exhibition and networking platform to connect with the global tech and digital markets.	Website: https://digitechasean.com
EFY Expo Gujarat November 21-22, 2025 HeliPad Exhibition Centre Gandhinagar, Gujarat	"Enabling new product development till manufacturing of innovative electronics." And it will host conferences highlighting growth opportunities in the fields of space and defence electronics, semicon, electronics components, and DREAMS (Drones, Robotics, EVs and AutoMobileS).	Mobile: +91-9811155335 (Extension 2)
NEPCON China 2025 November 22-24, 2025 Shanghai World Expo Exhibition & Convention Center, Shanghai, China	With the new theme of 'New Business, New Opportunities,' NEPCON China gathers new resources of high-quality electronic manufacturing, enhances brand value, efficiently develops new business, discovers new industry networks, and expands new business opportunities.	Website: https://www.nepconchina.com
EFY Expo Chennai December 12-14, 2025 Hall 1, Chennai Trade Centre, Chennai	Major tech conference focusing on electronics, IoT, and AI. Simplifies new product development and manufacturing challenges in India. Offers assistance from leading suppliers, even for small batch productions.	Website: https://chennai.efyexpo.com
EFY Expo Pune January 8-10, 2026 Auto Cluster Exhibition Center, Pimpri, Pune	Electronics expo with conferences on automotive electronics, EVs, and Industry 4.0 (IIoT). Covers a wide range of electronics-related technologies, products, and topics, including electric drives, battery management systems, and IIoT solutions.	Website: https://pune.efyexpo.com

Fujitsu offloads ₹2B power module business to L&T and Kaynes

Fujitsu General is selling its power modules business to India's L&T Semiconductor Technologies for ₹2 billion (₹1.18 billion), aiming to focus on core tech areas. Kaynes Semicon will acquire manufacturing assets in Japan and produce for LTSC. The deal boosts India's semiconductor mission and Japan-India tech ties, with closure expected by 23 June.

Sanlayan secures ₹1.86 billion to boost defence and aerospace innovation

Defence electronics startup Sanlayan raised ₹1.86 billion in its Series A funding round, led by Jungle Ventures and marquee investors. Founded by ex-ZETWERK execs, it designs systems for aerospace, defence, and space. It acquired Dexcel Electronics

and aims to scale up R&D by hiring fivefold. It is developing AESA radar for UAVs amid India's defence tech transformation.

Samsung India executives seek court relief from \$81 million tax penalties

Samsung India's senior officials are challenging \$81 million in personal penalties linked to a \$601 million tax demand over alleged misclassification of telecom imports from 2018-2021. Executives argue penalties lack proper evaluation and deny wrongdoing, citing differing tariff interpretations. Samsung contests the broader claim while executives seek relief, highlighting an intense customs dispute.
