

Superior Solutions for Advance Metering Infrastructure

Baluns

BPF

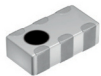

Chip Antennas

Chip Beads

Common Mode Filters / Chokes

Diplexers

Direct Couplers

Disc Type Capacitors with Lead

Electric Double-Layer Capacitors

Electromagnetic Buzzer

EMI Suppression Capacitors

Inductors (Coils)

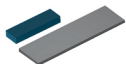

Inductors (Coils)

Leaded Disk Varistors

LPF / HPF

Neodymium Magnets

NTC Inrush Current Limiters

Multilayer Ceramic Chip Capacitor

PTC Thermistors for Overcurrent Protection

RF Inductors

SMD Solid-State Batteries CeraCharge

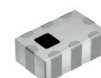

Ferrite Ring Cores

Transformers for AC-DC Converters

Transformers

Triplexers
