

is scheduled to begin in six months, with Phase 1 targeted for Q2 2026.

Elista launches ₹2.5 billion consumer electronics plant in Andhra Pradesh

Elista, part of Dubai's TeknoDome Group, has opened a ₹2.5 billion, 12,263 square metres (132,000 square feet) consumer electronics plant in Kadapa, Andhra Pradesh. Phase one will produce one million TVs and monitors; phase two adds appliances. The first shipment included 650 TVs destined for Dubai under the FTA. Equipped with robotics and green features, the facility supports exports to 18+ markets.

Jupiter International to invest ₹109 billion in Nagpur solar plant

Kolkata-based Jupiter International will invest ₹109 billion to set up a fully integrated solar manufacturing plant in Nagpur's Butibori, creating 8300+ jobs. Backed by the Maharashtra state government, the project aims to cover wafers, cells, and modules, boosting India's solar self-reliance and reducing imports.

Suzuki drives ₹700 billion India EV commitment

Suzuki Motor Corporation will invest ₹700 billion in India over five to six years, chairman Toshihiro Suzuki announced as PM Modi flagged off Maruti Suzuki's eVitara BEV at Gujarat's Hansalpur plant. Positioned as Suzuki's global EV hub, the site will export to 100+ countries. The company aims to target 67,000 EVs by FY26, despite affordability challenges.

India eyes electronics boost as Modi-Xi talks signal warming in ties

PM Modi's meeting with President Xi at the SCO summit signalled a thaw that could unlock Chinese investment, rare earth supplies, and electronics partnerships for India. With EMS firms seeking joint ventures and technology transfer, easing FDI rules and visa requirements may follow. The move comes as India balances US tariff pressures with the need for supply chain security.

Updates From EFY Group

Event, Date and Venue	Topics	Contact for details
NEPCON ASIA 2025 October 28-30, 2025 Shenzhen Convention & Exhibition Centre	Asia's leading exhibition for electronics R&D, manufacturing, and packaging technology. It consists of six shows specialised in essential areas for electronics manufacturing and R&D. The show has increased its value as an exhibition representing Asia's leading one-stop venue for all those involved in the electronics industry.	Website: https://www.nepconasia.com/en-gb.html
Open Source India November 5-6, 2025 NIMHANS Convention Centre, Bengaluru	The twenty-second edition of Open Source India (OSI) maintains its ethos of bringing various stakeholders under one roof. The team at Open Source For You magazine, in partnership with India's Open Source community and industry, comes together to accelerate development and deployment of Open Source in India and beyond.	Website: https://www.opensourceindia.in
productronica November 18-21, 2025 Trade Fair Center Messe München, Germany	This event presents the entire range of technologies and solutions for electronics production and provides in-depth insights into the latest trends in practice-oriented forums and live demonstrations. Every two years, the world of electronics production meets in Munich.	Website: https://productronica.com/en
DigiTech ASEAN Thailand 2025 November 19-21, 2025 Hall 7-8, Impact Exhibition Center, Bangkok, Thailand	Southeast Asian face-to-face 'Digital Solutions for Business' exhibition and networking platform to connect with the global tech and digital markets.	Website: https://digitechasean.com
EFY Expo Gujarat November 21-22, 2025 Helipad Exhibition Centre Gandhinagar, Gujarat	"Enabling new product development till manufacturing of innovative electronics." And it will host conferences highlighting growth opportunities in the fields of space and defence electronics, semicon, electronics components, and DREAMS (Drones, Robotics, EVs, and AutoMobiles).	Mobile: +91-9811155335 (Extension 2)
NEPCON China 2025 November 22-24, 2025 Shanghai World Expo Exhibition & Convention Center, Shanghai, China	With the new theme of 'New Business, New Opportunities,' NEPCON China gathers new resources of high-quality electronic manufacturing, enhances brand value, efficiently develops new business, discovers new industry networks, and expands new business opportunities.	Website: https://www.nepconchina.com
EFY Expo Pune January 8-10, 2026 Auto Cluster Exhibition Center, Pimpri, Pune	Electronics expo with conferences on automotive electronics, EVs, and Industry 4.0 (IIoT). Covers a wide range of electronics-related technologies, products, and topics, including electric drives, battery management systems, and IIoT solutions.	Website: https://pune.efyexpo.com

India and Japan deepen chip cooperation with Modi's Sendai visit

PM Modi, along with Japanese PM Shigeru Ishiba, toured Tokyo Electron's Miyagi semiconductor facility, highlighting India-Japan cooperation in critical technology. Talks focused on tech transfer, chip industry collaboration, and supply chain resilience. The visit followed pledges under the Industrial Competitiveness Partnership, with a focus on semiconductors, digital technology, and critical minerals as priorities. Over 150 bilateral MoUs support expanded industrial cooperation.

India and Philippines forge electronics, space, supply chain partnership

SIA-India and the Electronic Industry Association of the Philippines signed an MoU to boost collaboration in electronics, space, and satellite communication. The deal covers co-development, joint research, and manufacturing of satellite hardware, IoT devices, and next-gen

systems. Integrating the Philippines into India's \$115 billion electronics ecosystem enhances Indo-Pacific tech cooperation and supply chain resilience.

Paras Defence bags ₹453 million order from BEL

Paras Defence has secured a ₹453.2 million order from BEL to supply signal and data processing systems and multi-sensor fusion systems for next-generation air defence. The 29-month domestic contract reinforces Paras Defence's role in advanced defence electronics, supporting India's Atmanirbhar Bharat initiative and enhancing situational awareness, sensor integration, and real-time decision-making in air defence operations.

Clean Max eyes ₹5.2 billion IPO to power renewables

Clean Max Enviro Energy Solutions, India's largest commercial renewable energy provider, plans a ₹5.2 billion IPO, with an OFS of up to ₹37 billion by promoters and investors. Funds will repay borrowings and sup-
