

NeoDen

With a global presence in over 130 countries, NeoDen PNP machines offer excellent performance, high accuracy & reliability, making them ideal for R&D prototyping and small to high batch production. We provide a one-stop solution for SMT assembly equipments serving 10,000+ customers worldwide. Our pick & place machines support industries like automotive, power, security, IoT and communications, spanning worldwide. We also offer comprehensive after-sales support & training, ensuring our clients get the most out of their investment.

As the exclusive NeoDenTech partner in India, Chipmax Designs delivers top-tier SMT solutions from our Bangalore headquarters and regional offices in New Delhi, Mumbai and Ahmedabad. We are specialised in the supply, customization, installation, and support of NeoDen SMT Pick & Place Machines in sectors such as EMS facilities, OEM manufactures of Electric vehicles, IOT, Automotive, R&D, Solar and other Power solution products Etc. Our commitment aligns with the Atmanirbhar Bharat and Make in India initiatives.

Optical Solutions for Machine Vision Challenges

We provide both custom and catalog filters engineered to address machine vision demands across a wide range of applications, including:

- Agricultural automation
- Environmental monitoring
- Food sorting
- Industrial automation
- Quality control and inspection
- Robotic guidance
