

Fibocom and Kaynes partner to manufacture wireless IoT modules in India

IoT solutions provider Fibocom has partnered with Kaynes Technology to manufacture wireless modules in India across the latter's plants in Karnataka, Hyderabad, and Gujarat. Kaynes will handle manufacturing,

while Fibocom will oversee product design, IP, and supply chains. The partnership supports localisation, faster delivery, and cost-efficient 4G/5G/LPWA/GNSS IoT hardware that meets Indian and global standards.

leveraging India's €2.5 billion operations to meet domestic demand and drive rising exports.

Wipro bets ₹5 billion on India-made PCB materials

Wipro Infrastructure Engineering has launched Wipro Electronic Materials to produce copper-clad laminates and prepregs for PCBs at a new ₹5 billion Karnataka plant starting in 2026. With 6 million sheets annual capacity, 350 jobs, and in-house R&D, the project aims to cut imports, strengthen India's electronics supply chain, and serve both domestic manufacturers and global OEMs.

Amber Group to buy Israel's Unitronics stake for ₹4 billion

Amber Group, through its subsidiary ILJIN Electronics, will acquire a 40.24% stake in Israel's Unitronics for ₹4.03 billion, thereby gaining 45.13% joint control with its chairman. The all-cash deal, closing within 60 business days, boosts Amber's Industry 4.0 footprint, strengthens backward integration, and opens US/Europe markets, while Unitronics retains leadership and leverages ILJIN's manufacturing to scale industrial automation solutions.

Kaynes Electronics to establish ₹3.52 billion manufacturing facility in Bhopal

Kaynes Electronics Manufacturing will

invest ₹3.52 billion in a new facility at Badwai IT Park, Bhopal, to produce high-tech components for the automotive, defence, aerospace, and healthcare sectors. Opening in mid-2026, it will create over 1000 skilled jobs under Madhya Pradesh's Semiconductor Policy 2025, marking Kaynes' first major unit in Central India and

boosting India's push toward global manufacturing leadership.

22 Indian chip startups backed by ₹2.34 billion till date, says MeitY

In a recent update, MeitY acknowledged India's growing semiconductor design sector, highlighting its pledge of ₹2.34 billion to 22 projects worth ₹6.9 billion under DLI and C2S schemes. Startups like Mindgrove, Fermionic, and Netrasemi have secured over ₹3.8 billion in venture funding. Over 72 firms now access advanced design tools, boosting India's push to become a global chip design hub.

DoT cuts telecom product security fees by up to 95%

India's Department of Telecommunications (DoT) will cut telecom and ICT security test fees by up to 95% from August 2025 under the ComSec scheme, easing MSME costs and aligning with global standards.

Updates From EFY Group

Event, Date and Venue	Topics	Contact for details
NEPCON ASIA 2025 October 28-30, 2025 Shenzhen Convention & Exhibition Centre	Asia's leading exhibition for electronics R&D, manufacturing and packaging technology. It consists of six shows specialised in essential areas for electronics manufacturing and R&D. The show has increased its value as an exhibition representing Asia's leading one-stop venue for all those involved in the electronics industry.	Website: https://www.nepconasia.com/en-gb.html
Open Source India November 5-6, 2025 NIMHANS Convention Centre, Bengaluru	The twenty-second edition of Open Source India (OSI) maintains its ethos of bringing various stakeholders under one roof. The team at Open Source For You magazine, in partnership with India's Open Source community and industry, comes together to accelerate development and deployment of Open Source in India and beyond.	Website: https://www.opensourceindia.in
productronica November 18-21, 2025 Trade Fair Center Messe München, Germany	This event presents the entire range of technologies and solutions for electronics production and provides in-depth insights into the latest trends in practice-oriented forums and live demonstrations. Every two years, the world of electronics production meets in Munich.	Website: https://productronica.com/en
DigiTech ASEAN Thailand 2025 November 19-21, 2025 Hall 7-8, Impact Exhibition Center, Bangkok, Thailand	Southeast Asian face-to-face 'Digital Solutions for Business' exhibition and networking platform to connect with the global tech and digital markets.	Website: https://digitechasean.com
EFY Expo Gujarat November 21-22, 2025 Helipad Exhibition Centre Gandhinagar, Gujarat	"Enabling new product development till manufacturing of innovative electronics." And it will host conferences highlighting growth opportunities in the fields of space and defence electronics, semicon, electronics components, and DREAMS (Drones, Robotics, EVs and AutoMobileS).	Mobile: +91-9811155335 (Extension 2)
NEPCON China 2025 November 22-24, 2025 Shanghai World Expo Exhibition & Convention Center, Shanghai, China	With the new theme of 'New Business, New Opportunities,' NEPCON China gathers new resources of high-quality electronic manufacturing, enhances brand value, efficiently develops new business, discovers new industry networks, and expands new business opportunities.	Website: https://www.nepconchina.com
EFY Expo Pune January 8-10, 2026 Auto Cluster Exhibition Center, Pimpri, Pune	Electronics expo with conferences on automotive electronics, EVs, and Industry 4.0 (IIoT). Covers a wide range of electronics-related technologies, products, and topics, including electric drives, battery management systems, and IIoT solutions.	Website: https://pune.efyexpo.com
