

31 Applying for a job

Cover letters for job applications should sound fluent and confident. Using the correct prepositions after verbs, nouns, and adjectives can help you achieve this.

⚙️ **New language** Dependent prepositions

⌨️ **Vocabulary** Cover-letter vocabulary

🧩 **New skill** Writing a cover letter

31.1 MATCH THE PICTURES TO THE CORRECT SENTENCES

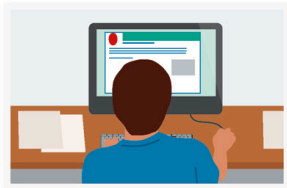

I am fully trained in all aspects of health and safety.

I have several years of experience in the catering industry.

I graduated from college in June 2016 with a degree in chemistry.

I am writing to apply for the role of head chef.

I heard about the job on your website.
