Subject: Travel plans

Hi Eric,

I'm planning where to travel next year. I **might** definitely need a break after all my hard work recently, but I **won't** need to book something quickly or **it wills** get too expensive. I **will** go too far away, as I don't like long flights. I **won't** be sick of the cold weather, so I **mights** go somewhere hot with nice beaches. I **wont** spend all my time on the beach, though. I **won't** do some hiking as well. I **might** even try surfing. **It won't** be fantastic! I **mighty** want someone to come with me. **Won't you** be free in February? Let me know!
