

How to use this book

Each unit of *English for Everyone: English Vocabulary Builder* consists of a teaching spread and a practice spread. Teaching spreads give you an illustrated vocabulary list on a particular topic. Practice spreads include a variety of exercises to reinforce what you have learned. Supporting audio for each teaching spread is available on the website and app. The best way to learn spoken vocabulary is to listen to the audio and repeat each word and phrase on the spread. If you have difficulty understanding a word or phrase, look it up in your dictionary or the word list at the back of this book.
